STATUS REQUEST

SIR:

The filing date of this application is March 17, 1997.

On March 14, 2004, the application was made special.

On November 16, 2004, the USPTO received applicants' Brief on Appeal.

By this point, surely, the case ought to have been sent to the Board of Patent Appeals and Interferences, or an action responsive to the Reply Brief should have issued. Applicants believe they are entitled to an action and an explanation.

As this case has been discussed with the Group Director, if an explanation and action are not forthcoming in the next ten days, the matter will be taken up with the Group Director.

Respectfully submitted,

FULBRIGHT & JAWORSKI, L.L.P.
